

Do you deserve more?

Are you looking for consistent security instead of living in worry and fear?

Are you tired of the violence that tops the headlines in your community?

Are you looking for safe, successful schools?

Are you looking for a better environment for your quality of life?

Are you looking for peace of mind?

Do you deserve more?

Due to recent events in some of the metropolitan area public schools and surrounding communities we invite you to consider an alternative.

The Village of Reedsville is enthusiastically seeking individuals and families to join our community, which provides a safe, strong, and successful environment for you and your loved ones.

Located 90 minutes north of Milwaukee, Reedsville is located 20 miles south of Green Bay, 15 miles West of Manitowoc, and 25 miles east of Appleton. We are a small, rural, agricultural community with a population of about 1200 people. Based in community values, school pride, and civic responsibility, we are ready and willing to welcome more individuals and families to our community and schools.

Reedsville is close to three large cities with many different housing and job options available. Whether you find a home in our rolling countryside or a beautiful house in our quiet village, the cost of living is much lower and a simpler life exists.

Entertain the idea of living in a village with a lot of heart and pride.

Where caring people make a difference.
